

Physician Assistant – Primary Care

Southern NH Internal Medicine Associates (SNHIMA) is seeking a personable, motivated, and experienced **Physician Assistant** to join our growing physician-owned, independent practice of 20 providers.

For three decades, our philosophy has been that preventative medical care is vital to ensuring a lifetime of optimal health. Our care model provides patients with more personalized attention, education, and support via integrated care teams of providers, health coaches, diabetes educators, pharmacists, and resource coordinators. *As a member of our primary care team you'll focus on what we do best – caring for our patients.*

Qualified applicants must be licensed in the State of New Hampshire and have *three to five years of previous outpatient primary care experience*. Position offers flexible schedule (working either 5 days or 4 days per week, with some Saturday and evening hours), vacation and comprehensive benefits.

Our offices are located in Derry, Windham, and Manchester – less than an hour's drive to Boston, and New Hampshire's mountains, lakes and seacoast. AND NH HAS NO SALES TAX OR STATE INCOME TAX.

For more information, visit www.SNHIMA.com.

Apply by sending your resume directly to Jill Stagner, Director of Network Development at jstagner@SNHIMA.com.

We are an equal opportunity employer embracing the strength that diversity brings to the workplace. We provide a welcoming and supportive environment for employees of all ethnic backgrounds, cultures, ages, lifestyles and physical abilities.
